- PREDISPOSING FACTORS TO LOWER SPINAL INSTABILITY (MANUAL);
- STANDARDIZED B.S.I. EXAM & REPORT FORMS
- BICS: THE CHIROPRACTIC INDUSTRIAL EXAMINATION (VIDEO)

### Prepared for Doctors of Chiropractic for performing Chiropractic Industrial Preplacement Examinations...Now You CAN Get Started!!

Dr. Joseph Sweere has compiled and authored this fully illustrated manual, providing step-by-step method along with numerical scoring system involved in the performance of the Biomechanical Stress Index (BSI) evaluation used in the preplacement (post job offer) chiropractic industrial examination.

This copyrighted manual includes 50 predisposing factors related to spinal instability observed among 560 young adults. This is *the guide* for performing comprehensive industrial screenings used in conjunction with the *Standardized BSI Exam and Report Forms*. One set of the forms comes with the manual. (See right column for the seven forms that make up one set.)

The BICS video will guide you through the comprehensive chiropractic industrial screening. In it, Dr. Sweere demonstrates the exam for both female and male subjects.

**Purchase the manual (includes one 7-part set of exam forms), and the video in a discounted package of \$150 and save \$60 off regular retail price!**

This package deal is *precisely* what you will need to *get started providing worker selection services* for employers in your community.
