IACOHC ANNUAL MEMBERSHIP APPLICATION

General Membership: \$100 annual fee, plus one time processing fee of \$25. General Members are licensed, practicing Doctors of Chiropractic that have completed a min. of 108 hours of the Phase 1 portion of the postgraduate program, Chiropractic Occupational Health and Applied Ergonomics. Doctors who join at this rate will receive the "IACOHC Chiropractic Occupational Health & Applied Ergonomics" (Starter Manual) free. Details at www.DC-OccHealth-Org.com.

Associate Membership: \$100 annual fee, plus one time processing fee of \$25. Associate Members are licensed, practicing Doctors of Chiropractic who are involved in (or interested in) occupational health consulting with industries but have yet to participate in or complete postgraduate training. Doctors who join at this rate will receive the "IACOHC Chiropractic Occupational Health & Applied Ergonomics" (Starter Manual) free. Details at www.DC-OccHealth-Org.com.

SPECIAL: Doctors who purchase the distance learning DVD set of the Diplomate educational program available through Northwestern Health Sciences University may join at \$50/annual plus one time processing fee of \$25. Min purchase – 6 sessions of DVD set. Provide evidence of purchase along with membership application. *

Student Membership: \$15 processing fee only. This level of membership is for students of chiropractic colleges that have interest in occupational health and applied ergonomics. Annual and expires at time of graduation.

Retiree Membership: \$300 (one time fee) for Lifetime Membership. This level of membership is for retired Doctors of Chiropractic who wish to support the efforts of the IACOHC, the efforts of the specialty field, or have some other level of interest. Retiree Membership is only good for Doctors in total retirement and not practicing nor having wishes or plans to do so.

MEMBERSHIP BENEFITS:

- Subscription to the Occupational Chiropractic & Applied Ergonomics newsletter publication (now 4 issues/yr) by email.
- Discounts on many resources and services available through the IACOHC Resource Center/Catalog.
- Membership certificate for displaying.
- Be listed on web site Directory for Employers, your contact information (as indicated below); (not for Student Members).
- "e-Communications" from the IACOHC to help keep you informed of issues, trends and news about the specialty field (via email only).
- Membership into the largest Chiropractic Occupational Health nonprofit organization.
